## VERSE 1

**B/D#**                    **E2**                    **B/F#**

What fortune lies beyond the stars

**G#m7**

Those dazzling heights too vast to climb

**B/D#**    **E2**                    **B/F#**

I got so high to fall so far

**G#m7**

But I found heaven as love swept low

## CHORUS

**B/D#**                    **E2**

My heart beating, my soul breathing

**B/F#**                    **G#m7**

I found my life when I laid it down

**B/D#**                    **E2**

Upward falling, spirit soaring

**B/F#**                    **F#**

I touch the sky when my knees hit the ground

## INTERLUDE

**B/D#** | **E2** | **F#sus** | **G#m7**

## VERSE 2

**B/D#**                    **E2**                    **B/F#**

What treasure waits within Your scars

**G#m7**

This gift of freedom gold can't buy

**B/D#**                    **E2**                    **B/F#**

I bought the world and sold my heart

**G#m7**

You traded heaven to have me again

## BRIDGE

**B/D#**                    **E2**

Find me here at Your feet again

**F#sus**                    **G#m7**

Everything I am, reaching out, I surrender

**B/D#**                    **E2**

Come sweep me up in Your love again

**F#sus**                    **G#m7**

And my soul will dance on the wings of forever
